## FEEDBACK

### What are we doing well?

You seem to have a pulse of the greater community needs

High quality learning in convenient locations

Providing these sessions is a great service to the nonprofit community

Broad selection of topics, planned well in advance, great speakers

### How can we improve?

Dedicate more time to just one topic v. having multiple

Have more trainings in Rockville

Have more workshops for educators

Having longer sessions would be helpful

Our sincerest thanks to everyone who has participated in the Raffa Learning Community. Together, we empower the community and make it greater for all of us!
