WHAT ARE WE DOING WELL?

HOW CAN WE IMPROVE?

You provide a valuable resource for the nonprofit and philanthropic community.	Presenters are incredibly knowledgeable!	More seminars in Rockville would be nice.	More variety in topics offered, and more sessions on finances.
Staying on top of current topics.	I like the variety of topics and the fact that sessions are offered multiple times and with webinar options.	Additional "technical" training v. overview type information.	Add more webinars.
Delivering high-quality workshops on relevant and complex topics affordable and accessible. Creating unique offerings that address a need but also inspire further thought.		I personally don't like the slide share website/app. I would prefer a simple PDF of the slides.	

Thank you to everyone who has participated in the Raffa Learning Community throughout the years! We are committed to remaining a strong community partner where we live, work and play.
